**Nevada Business Organizations Applaud Supreme Court Ruling to Require Two-Thirds
Majority of Legislature to Raise Taxes**

The Retail Association of Nevada, Nevada Trucking Association, Nevada Franchised Auto Dealers Association, and the National Federation of Independent Businesses issued the following statement Thursday in response to the Nevada Supreme Court's ruling on the lawsuit challenging the constitutionality of SB551 and SB542 passed during the 2019 Legislative Session.

"We appreciate the Nevada Supreme Court for ruling today to uphold the will and intent of the Nevada people when it comes to increasing taxation. We also thank Senator James Settelmeyer and the Senate Republican Caucus for their leadership and commitment to seeing this case to completion. Our organizations speak for hundreds of thousands of Nevada employees and their employers, and we will continue to advocate and remain vigilant in our defense of their rights and interests in our government."
